The Hinduism an integral religion embracing every aspect of our life. Hindu Dharma is said to be eternal and has no founder. Eternal religion or Sanatana Dharma does not mean a particular set of doctrines and dogmas which have to accept and believe in, but it implies the science of soul which explains our true nature and helps us solve the problems of our life and death . We are normally prone to see the wood for the trees. The authors have therefore turned the vast scope of Hinduism into a systematic and scientific study where it transcends rigid dogmas and narrow sectarianism. It is earnestly hoped that this book on Sanatana Dharma (eternal religion) will be able to provide real insight and knowledge of Hinduism and help awaken the spirit of Manava Dharma or religion of humanity.
