

Ed Parker's Infinite Insights Into Kenpo: Mental Physical Applications

Filesize: 4.04 MB

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

(Audrey Lowe I)

ED PARKER'S INFINITE INSIGHTS INTO KENPO: MENTAL PHYSICAL APPLICATIONS

Createspace, United States, 2009. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Completing the Infinite Insights Into Kenpo series, with Volume V published in June 1987 brought to an end Sr. Grandmaster of Kenpo Karate Ed Parker Sr.'s monumental masterpieces. The main purpose of this volume was to incorporate all of the basic theories, concepts, and principles discussed in the four earlier volumes together, to achieve a more complete understanding of how these mental and physical aspects relate, function, and apply. Acquiring this knowledge not only develops refined techniques, but also can result in success in combat. Mr. Parker states that combat without preparation can prove disastrous, he believed that realistic preparations must be made to overcome environmental conditions, unpredictable events, or to curtail an opponent whose unorthodox actions and reactions can unexpectedly create variables that may cause defeat. Realizing that an attack can dictate and direct one's defense, Mr. Parker shared the need to learn combat in total. Mr. Parker concludes this capstone volume with the cornerstone and keystone firmly in place. The years he spent analyzing, scrutinizing, creating and developing his system of American Kenpo were now logically, practically, and sequentially set in place for future students to build on. Grounded, rooted, and established on a firm foundation, students could be secure in the knowledge that this foundation Art and Science of Street fighting could consistently be built upon employing existing correct principles.
