Skilled decorators from schools of Germany, France, England, Russia, Italy, as well as America, have been formed into an unique organization. They individually enjoy the widest latitude in originating new ideas, and each of their productions bears the artist s signature. The result is beautiful symphonies in color and design entirely at variance with the usual effects produced in hand-painted china. Illustrations of but a few of the latest developments of the Pickard Studios are shown in this booklet. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
